

# Clarilis Early-Stage Investment Suite (incorporating the BVCA model forms)

## A comprehensive suite of deeply automated early stage financing documents

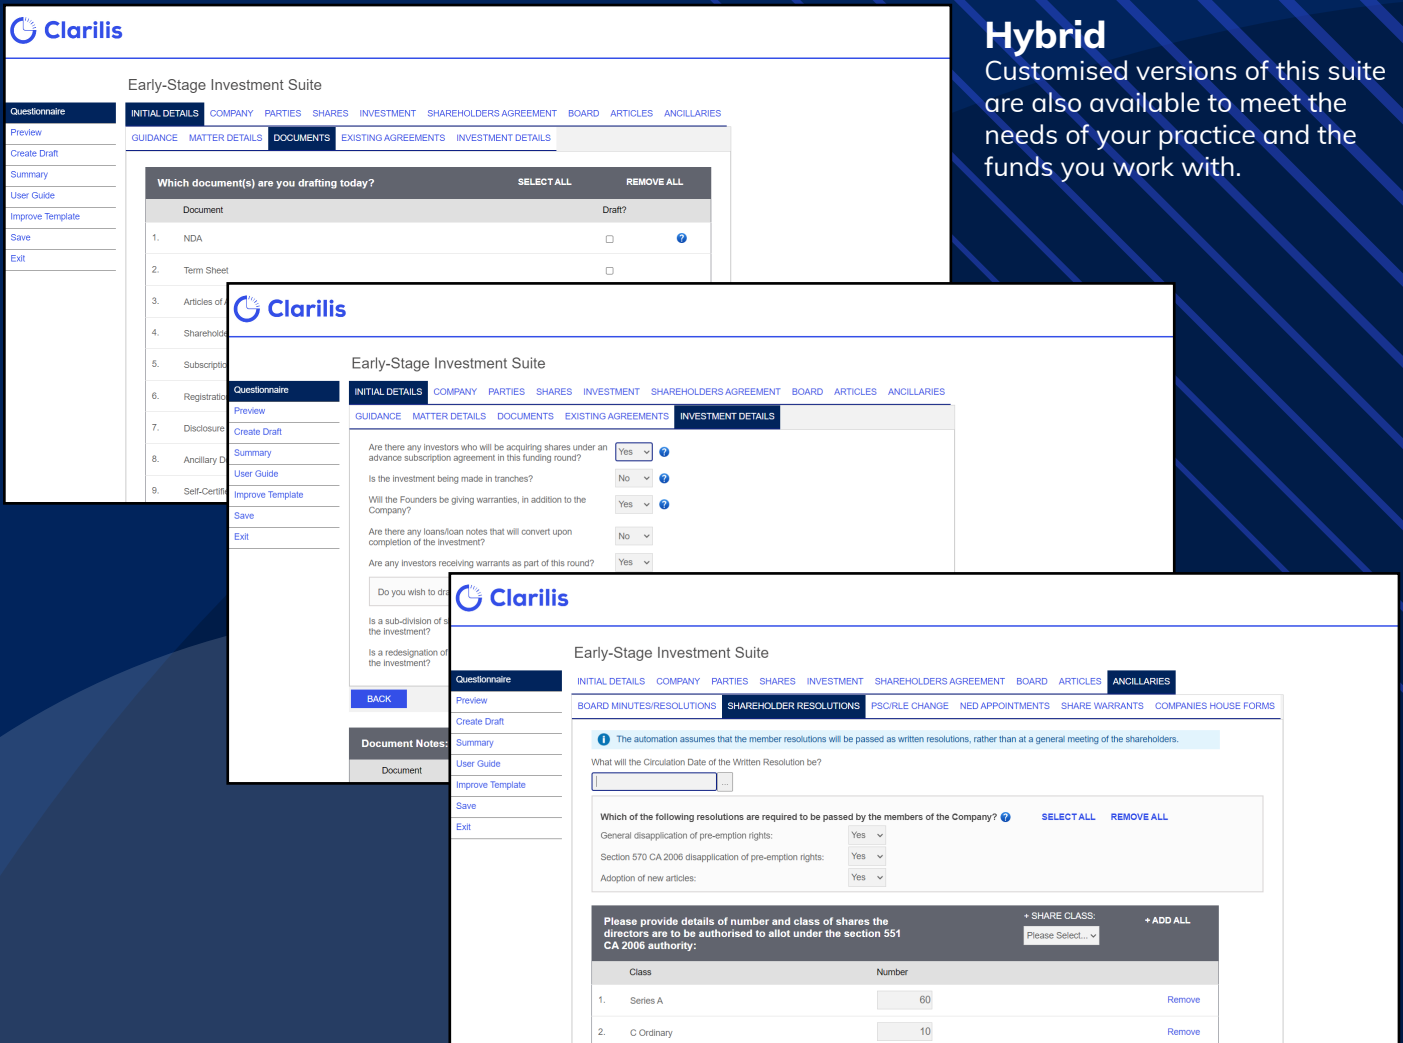

Clarilis provides off-the-shelf, deep automation of early-stage investment documents for corporate teams. The suite incorporates the BVCA model documents together with high quality ancillaries and additional content from Addleshaw Goddard LLP. This content is automated within Clarilis' market leading automation platform to enable fast, efficient, and risk-mitigated document drafting for early-stage financings.

## Why automate?

- Draft deal documents in minutes from a single questionnaire
- Enhance client relationships by delivering an accelerated service
- Improve margin by working more efficiently
- Increase capacity in busy teams
- Enable delegation in a risk mitigated environment
- Provide the best tech to your team - assist recruitment and retention

## Hybrid

Customised versions of this suite are also available to meet the needs of your practice and the funds you work with.

The screenshots illustrate the software's workflow:

- Top Screenshot:** Shows the 'Early-Stage Investment Suite' dashboard with a navigation menu on the left and a central table titled 'Which document(s) are you drafting today?'. The table lists documents like 'NDA', 'Term Sheet', and 'Articles of Association' with checkboxes for 'Draft?'.
- Middle Screenshot:** Shows a questionnaire interface with questions such as 'Are there any investors who will be acquiring shares under an advance subscription agreement in this funding round?' and 'Is the investment being made in branches?'. Each question has a dropdown menu for 'Yes' or 'No'.
- Bottom Screenshot:** Shows a more detailed questionnaire section for 'Shareholder Resolutions'. It includes a table for 'Please provide details of number and class of shares the directors are to be authorised to allot under the section 551 CA 2006 authority:' with columns for 'Class' and 'Number'. The table lists 'Series A' (60 shares) and 'C Ordinary' (10 shares).

## Clarilis Early-Stage Investment Suite (incorporating the BVCA model forms)

### Solution differentiators

- Reduce the time and cost associated with the preparation and review of early stage financing documents
