## Automated NVCA model legal documents suite

Combining the NVCA model form documents with Clarilis' leading drafting automation platform.

Bringing deep automation of NVCA model form documents for early-stage venture capital (VC) financings. The solution is fully maintained in line with NVCA model form updates.

## Why automate?

- Drastically reduce time and costs of drafting
- Reduce negotiation with balanced starting point
- Improve fee margins by working more efficiently
- Remove risk with the consistency and accuracy that deep automation offers
- Optimize resources by removing repetitive processes
- Maintain high quality standards
- Enhance client relationships by delivering a superior and agile service

The screenshot shows the 'VC SUITE' interface with a sidebar on the left containing options like 'QUESTIONNAIRE', 'PREVIEW', 'CREATE DRAFT', 'SUMMARY', 'USER GUIDE', 'IMPROVE TEMPLATE', 'SAVE', and 'EXIT'. The main content area is titled 'VC SUITE' and has tabs for 'INITIAL DETAILS', 'COMPANY', 'PARTIES', 'STOCK', 'INVESTMENT', 'STOCKHOLDER AGREEMENTS', 'BOARD', and 'GENERAL'. The 'INITIAL DETAILS' tab is active, showing a 'MATTER DETAILS' section with a 'Please provide the Client / Matter Reference:' field. Below this are two questions: 'Is this the Company's first round of financing?' with a 'No' dropdown, and 'How many rounds of financing have there been prior to the current round?' with a text input field containing '2'. A third question asks 'Will any SAFEs or other convertible instruments be converting as part of the round?' with a 'Yes, both SAFE(s) and other Convertible Instrument(s)' dropdown. A fourth question asks 'Display drafting notes?' with a 'Yes' dropdown. The bottom right corner indicates '1 of 20'.

The screenshot shows the 'VC SUITE' interface with the same sidebar as the previous screenshot. The 'INITIAL DETAILS' tab is active, and the 'DOCUMENTS' sub-tab is selected. It displays a section titled 'Which document(s) are you drafting today?' with a table. The table has two columns: 'Document' and 'Draft?'. The rows are: 1. Term Sheet (Draft? checkbox checked), 2. Stock Purchase Agreement (Draft? checkbox checked), 3. Certificate of Incorporation (Draft? checkbox checked), and 4. Stockholder Agreements (Draft? checkbox checked). Below the table, a blue information box states: 'You will have the option to draft Management Rights Letter(s) and/or Indemnification Agreement(s) later in the questionnaire.'

Document	Draft?
1. Term Sheet	<input checked="" type="checkbox"/>
2. Stock Purchase Agreement	<input checked="" type="checkbox"/>
3. Certificate of Incorporation	<input checked="" type="checkbox"/>
4. Stockholder Agreements	<input checked="" type="checkbox"/>
