The screenshot displays the BPA Suite software interface. The top navigation bar includes the BPA Suite logo and the text 'Clarilis Corporate'. The main dashboard is titled 'Business Purchase Suite' and features a sidebar with a 'Questionnaire' menu and a list of actions: Preview, Create Draft, Summary, AI Draft, User Guide, Feedback, Save, and Exit. The main content area is divided into tabs: INITIAL, BUYER, SELLER, CONSIDERATION, W&I, NON-COMPETE COVENANTS, and ANCILLARIES. The 'CONSIDERATION' tab is active, showing a form for 'In which currency is the Consideration denominated?' with a dropdown menu set to 'GBP'. Below this, there are two questions with 'Yes' buttons: 'Will there be a post-completion adjustment based on the value of the net assets?' and 'Will the Consideration include the assumption by the Buyer of specified liabilities?'. The 'Deferred consideration or Escrow' section is also visible, with a dropdown menu set to 'Deferred'. The 'Consideration payable on Completion' section shows a text input field for 'Amount of cash consideration' with the value '100,000' and a 'GBP' dropdown.

The second screenshot shows the 'DOCUMENTS' section of the 'Business Purchase Suite'. It features a table titled 'Which document(s) are you drafting today?' with columns for 'Document', 'INCLUDE ALL', and 'REMOVE ALL'. The table lists five documents: 1. Preliminary documents, 2. Business Purchase Agreement, 3. Disclosure Letter, 4. Ancillary documents, and 5. Documents List. Each document has a 'Drafting?' column with a 'Yes' button and a question mark icon.
